

## DSST Program

### WHAT IS DSST?

The DSST program (formerly DANTES) offers credit-by-examination to students who can demonstrate knowledge of subjects commonly taught in introductory college courses. When you complete a DSST exam and achieve the required American Council on Education (ACE) recommended percentile score, you will be granted the credits equivalent to those earned in a regular college course. DSST is a timed, multiple-choice test taken **online at an official testing center**. The student requests that the score be sent to University of Detroit Mercy.

### HOW DOES DSST CREDIT APPLY?

DSST credit can be applied to your major, core requirements, or counted as electives toward the 126 credit hours required (in most programs) for your degree. The maximum number of credits which the University of Detroit Mercy will award through any type of examination is 30 credits toward a bachelor degree.

### ARE THERE LIMITATIONS?

You cannot earn DSST credits if you have already completed equivalent courses at Detroit Mercy or another institution or if you have completed more advanced courses in the same academic area. You cannot take a DSST test for a failed course. Individual academic programs may limit DSST credits counted toward your requirements for your major. DSST credits cannot be applied to the residency requirement for graduation (last 30 credits) except with written permission from your dean's office.

### WHERE CAN I GET INFORMATION ABOUT THE TESTS?

DSST has a website that provides basic information on the content of each test, as well as how to order test prep materials. Visit [getcollegecredit.com](http://getcollegecredit.com) for more information and to find a testing center near you (Detroit Mercy is not a testing center). There is a fee for each test taken. Have your official score report sent directly to Detroit Mercy.

Page two lists the DSST exams for which we currently grant credit. For additional information on how a DSST exam might meet a Detroit Mercy requirement, contact your academic advisor or Detroit Mercy's Transfer Team at [transferteam@udmercy.edu](mailto:transferteam@udmercy.edu) or 313-993-1940.
